

## A Man for Amanda: The Calhouns

Available digitally for the first time. From #1 New York Times bestselling author Nora Roberts comes the story of a woman who finds just what she's been looking for in the last place she expects. A slow drawl was all Amanda Calhoun heard when she walked into the wall of denim and muscle that was Sloan O'Riley, the architect hired to renovate the Calhoun family mansion. Known as the responsible Calhoun sister, Amanda finds Sloan's easygoing attitude infuriating, but his irresistible smile just might change her mind. Includes a teaser for For the Love of Lilah.
