

# The Case for Grace Student Edition: A Journalist Explores the Evidence of Transformed Lives

In The Case for Grace Student Edition, Lee Strobel and Jane Vogel present a compelling and highly personal experiential case for God, focusing on Gods transforming work in the lives of people today. Writing with unusual candor, Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of Gods redeeming love, including those whose lives have been radically changed after discovering the how and why behind Gods amazing grace. Youll encounter racists, addicts, and even murderers who have found new hope and purpose. Youll meet once-bitter people who have learned to forgive those who have harmed them?and, equally amazing, people mired in guilt who have discovered that they can even forgive themselves. Through it all, you will see how Gods grace can change your eternity and relationships starting today.
