

# Silver Blaze(Classic Shorts) (a Chinese-English Edition) (Chinese Edition)

Life is too short for a long story. Why not sit down and enjoy a short tale? Silver Blaze focuses on the disappearance of the titular race horse (a famous winner) on the eve of an important race and on the apparent murder of its trainer. The tale is distinguished by its atmospheric Dartmoor setting and late-Victorian sporting milieu. It also features some of Conan Doyle's most effective plotting, hinging on the curious incident of the dog in the night-time.
