This carefully crafted ebook: The Count Of Monte Cristo (Complete) is formatted for your eReader with a functional and detailed table of contents. The Count of Monte Cristo (French: Le Comte de Monte-Cristo) is an adventure novel by French author Alexandre Dumas (pere). It is one of the authors most popular works, along with The Three Musketeers. Dumas completed the work in 1844. The story takes place in France, Italy, islands in the Mediterranean, and in the Levant during the historical events of 1815-1838. It is an adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. The book is considered a literary classic today. According to Luc Sante, The Count of Monte Cristo has become a fixture of Western civilizations literature, as inescapable and immediately identifiable as Mickey Mouse, Noahs flood, and the story of Little Red Riding Hood. This English translation was originally published in 1846 by Chapman and Hall, London.
