

The Drama of Salvation: How God Rescues You from Your Sins and Delivers You to Eternal Life

The most important question of your life: Where Will You Spend Eternity? Few people understand what Jesus did or how it affects us. Worse yet, there are endless squabbles between Christians of different persuasions, leading to confusion on a massive scale. In this book, best-selling Catholic author Jimmy Akin uses his expertise in Scripture and Church teaching to cut through the confusion and provide clear answers on important issues like:

- What we need to do to be saved
- Whether salvation is a one-time event or a process
- Whether penance is part of God's plan
- What indulgences are
- How faith and works relate
- What the Church teaches about justification
- How far apart Protestants and Catholics are on this question
- Whether you have to be a Catholic (or a Christian) to be saved.

No other book takes on these questions with the clarity and precision that Akin brings to them. You owe it to yourself to find out the facts about the most important question in life, because the answer will affect you and those you love . . . forever.
