

The Forsyte Saga 6: Swan Song

Jon Forsyte is back. After years living in America with his mother Irene, he is excited to be home and cant wait to show off his roots to his new bride. When Fleur Forsyte, now Fleur Mont, his first love, hears of his arrival, she doesnt know what to feel. Shes married too, though, with a little boy so theres no reason why they all cant meet as friends. But feelings so strong are not easily contained. And when their passion is rekindled, no one can halt the devastating events that follow - the secret culmination of an old, old story...
