The LGBT Book of Days is a reference book, a fun trivia compilation, and a tool for further investigation into our rich, colorful-and profoundly challenging-past. Year by year, month by month, day by day, this book chronicles the unforgettable events and incredible lives that have forged our history and made us the strong, brave and proud community we are today. Compiled by gay author and historian Owen Keehnen, this comprehensive and important book has been written in appreciation of those who have come before... And as a reminder to those who will follow.
