

The Good Neighbors #1: Kin

From the amazing imagination of bestselling author Holly Black, a mysterious and wonderful teen graphic novel masterpiece. Rue Silvers mother has disappeared . . . and her father has been arrested, suspected of killing her. But its not as straightforward as that. Because Rue is a faerie, like her mother was. And her father didnt kill her mother -- instead, he broke a promise to Rues faerie king grandfather, which caused Rues mother to be flung back to the faerie world. Now Rue must go to save her -- and must also defeat a dark faerie that threatens our very mortal world.
