

The Greatest Love Story of All Time

Its Frans thirtieth birthday and things are good . . . Shes bluffed her way into a Very Swanky Job and her outlandishly handsome and talented boyfriend Michael is escorting her to the Ritz with a bulge the shape of a ring box in his pocket. But something has gone wrong. Very wrong. By the end of the evening Fran is howling in bed with one of Michaels old socks. In her quest to figure out why her life has suddenly gone down the drain, Fran comes up with a failsafe plan: live like a hobo, stalk a stranger called Nellie and cancel her beloved Gin Thursdays in favour of drinking gin most nights. But then Frans friends force a very different plan on her and its nowhere near as fun. How could eight internet dates possibly make her feel better? But eventually she agrees. And so begins the greatest love story of all time . .
