

## The Hidden Assassins

As Inspector Jefe Javier Falcon investigates a faceless, mutilated corpse, the beautiful city of Seville is rocked by a massive explosion. The discovery of a mosque in the basement of a devastated apartment building confirms everybodys terrorist fears. Panic sweeps the city and the region goes on red alert. As more bodies are dragged from the rubble, the media interest and political pressure intensify and Falcon suspects that all is not what it appears to be. Just as he comes close to cracking the conspiracy, he makes the most terrifying discovery of all and the race is on to prevent a catastrophe far beyond Spains borders. A masterful thriller, The Hidden Assassins is fiction of the highest order.
