

The Iron Queen: The Iron Fey, Book 3

My name is Megan Chase. In less than 24 hours, Ill be 17. Although, technically, I wont actually be turning 17. Ive been in the Nevernever too long. When youre in Faery, you dont age. So while a year has passed in the real world, agewise Im probably only a few days older than when I went in. In real life, Ive changed so much I dont even recognize myself. I thought it was over. That my time with the fey, the impossible choices I had to make, the sacrifices of those I loved, was behind me. But a storm is approaching, an army of Iron fey that will drag me back, kicking and screaming. Drag me away from the banished prince whos sworn to stand by my side. Drag me into the core of conflict so powerful, Im not sure anyone can survive it. This time, there will be no turning back.
