

## The Deerslayer (Illustrated) (Leatherstocking Tales Book 1)

30 ILLUSTRATIONS!The Deerslayer, or The First Warpath (1841) was the last of James Fenimore Coopers Leatherstocking tales to be written. Its 1740-1745 time period makes it the first installment chronologically and in the lifetime of the hero of the Leatherstocking tales, Natty Bumppo. The novels setting on Otsego Lake in central, upstate New York, is the same as that of The Pioneers, the first of the Leatherstocking tales to be published (1823). The Deerslayer is considered to be the prequel to the rest of the Leatherstocking tales. Fenimore Cooper begins his work by relating the astonishing advance of civilization in New York State, which is the setting of four of his five Leatherstocking tales.Go BompaCrazy!The brunt of Mark Twains Fenimore Coopers Literary Offenses (1895) fell on The Deerslayer and The Pathfinder. Twain wrote at the beginning of the essay: In one place in Deerslayer, and in the restricted space of two-thirds of a page, Cooper has scored 114 offenses against literary art out of a possible 115. It breaks the record. He then lists 18 out of 19 rules governing literary art in domain of romantic fiction that Cooper violates in The Deerslayer.
