

The Lost (Sin Hunters)

Adam Bruno is no ordinary millionaire. The heir to an ancient race possessing a dark, powerful magic, he can shapeshift and create energy. His gifts make him a living weapon and have forced him to live in seclusion. But now an inhuman force hunts down Adam—just when he finds someone who makes him feel more human than he ever imagined possible . . . Home from combat in Iraq, Bobbie Carrera wants only peace, yet soon joins Adam in a terrifying battle against paranormal enemies who hide in plain sight. She's drawn to his strength of mind and body; he's attracted to her courage and intoxicating energy. Their scorching passion can either transport them to the heights of ecstasy or—if Adam's powers rage out of control—destroy them. But when an invisible brotherhood tightens its nets and someone Adam trusts betrays him, only a heartrending decision can save them.
