

Love Lottery (Mills & Boon Hardback Romance)

Imagine the scene...You're running a love lottery - names are pulled out of a hat and lovestruck couples are paired off. Sophie Watson is feeling safe in the knowledge that her name isn't in there...until her name is drawn out of the hat! No one likes to see uptight Sophie in a fix more than Harlan Jones. She might be easy on the eye, but as a neighbour she's really annoyed him since he moved in. But his sexy smirk is wiped away when his name comes out of the hat - straight after Sophie's! A week of dates. It'll only take one to show them how mismatched they are...so what will they do on the other six...?
