

The Mesmerists Victim (Annotated): Andrea de Taverney; a Historical romance

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. This is a second part, whereas the first part is Balsamo, the Magician. Dumas originally wrote this as one book The Memoirs of a Physician and Balsamo kind of broke off in the middle of some action. It is not as action filled as Balsamo but it is a little more snarky about the pre-revolution French gentry.
