

Color Your Way : The HOUSE: Coloring for relaxing (Volume 9)

A coloring book that will relax and inspire--all the while transporting you to the worlds most wonderful cities. This unique coloring book features immersive aerial views of real cities from around the world alongside gorgeously illustrated, Inception-like architectural mandalas. The adult coloring books distinctive large square format offers absorbingly complex vistas to color, the crisp white pages are conducive to a range of artistic applications, and a middle margin keeps all the artwork fully colorable. Complementing the cityscapes are a selection of mind-bending labyrinthine architectural illustrations for still deeper meditative coloring adventures and imaginative flights of fancy. So take your time, relax, and let your imagination run free! Get out your markers or pens and discover the calming pleasure of coloring.
