

THE MISSING TYCOON (A Candace McCauley P.I. Mystery Book 2)

Thornton Grey has disappeared leaving no trace. His daughter Angelina is sure foul play is involved with his disappearance. She enlists Candace McCauley, Private Investigator, to find him. The more she searches for clues to Thorntons whereabouts, the more Candy enters deeper into a world never experienced before. Through twists and turns she must face those who think the shipping tycoon has merely vanished of his own accord, and Angelina who is adamant her father would never leave without her knowledge. When Candy delves into Thorntons private life she discovers a side of the magnate few knew about. During her search, she suspects he is in the clutches of a seedy underground group of friends and is being held hostage. That is, until his body is found washed up on a beach in Cancun. Candy has reasons to suspect more than one person. If not from the underground threats, there are others much closer to Thornton Grey who could have caused his vanishing act. The mans body is identified by his own daughter, but Candy is not so sure it is Thornton Grey.
