

## Good Men Stand

The Sequel to MACLEOD. A year after Charles Sampson was sentenced to prison accusations and rumors that Brian Richards had stolen Sampsons ranch begin to circulate among smaller local ranchers, who fear that he will do it to them. When the talk turns to threats of burning Richards out, Devon Macleod steps in to back his friend. Driven by a dark secret from the past, outlaw Harper Sloan shows up in Drewsey with his gang to further agitate the ranchers into taking action against Richards. What shadowy purpose lay behind Sloans actions is a mystery to them all. When his home is attacked and Sam Raven is found shot in the back, Richards has had enough. Backed by his men, Macleod, and the Parker brothers, he sends a loud and clear message to the Drewsey faction of rancher and outlaw alike, He wanted a war, now he has one. Tell Harper Sloan that Brian Richards has come out to fight. Note: Formerly titled A Man for the Country, published by Bottom of the Hill Publishing. The rewritten and enhanced novel is now published by Double Diamond Books under the title Good Men Stand.
