

The Party: The Secret World of Chinas Communist Rulers

Chinas Communist Party is the largest, most powerful political machine in the world. Here, for the first time, Richard McGregor delves deeply into its inner sanctum, revealing how this secretive cabal keeps control of every aspect of the country - its military and media, legal system and businesses, even its religious organizations. How has the Party merged Marx, Mao and the market to create a global superpower? And what does this mean for the world?
