

The Murder Motif: An Austin, Texas Art Mystery (the Michelle Hodge Series Book 2)

Could you fall in love with a murderer? When Shell Hodge moves to Austin, she is ready to start a new life as a single woman with her focus squarely on her art career. After renting a house from her best friends' older brother, Dean, Shell believes life will be as uncomplicated as moving in and getting back to her painting. But Dean is distractingly handsome, and he has a charming dog that wins her heart. More importantly, a murder charge is looming over him, and the police seem to be investigating in all the wrong places. Who killed Dean's estranged wife, and why is someone watching Shell? This is Book 2 of the Michelle Hodge Series, but it reads perfectly as a standalone.
