

The Priests Graveyard

Two abandoned souls are on the hunt for one powerful man. Soon, their paths will cross and lead to one twisted fate. Danny Hansen is a Bosnian immigrant who came to America with hopes of escaping haunted memories of a tragic war that took his others life. Now hes a priest incensed by the powerful among us who manipulate the law for their own gain, uncaring of the hattered lives they leave behind. It is his duty to show them the error of their ways, even if he must put them in the grave. Renee Gilmore is the frail and helpless victim of one such powerful man. Having escaped his clutches, she now lives only to satisfy justice by destroying him, regardless of whom she must become in that pursuit. But when Danny and Renees paths become inexorably entangled things go very, very badly and neither of them may make it out of this hunt alive.
