

## The Psychological Advantage: The 7 things every parent MUST teach their child before handing over the car keys.

Can you put a price on your child's life? NO! Of course not. But unless you read this book, that is exactly what you're doing without realizing it. World wide there are thousands of people dying on the roads every day because they are completely unaware of what you are about to find out. Would you give up an hour of your time and a cup of coffee if it meant you had 80% better chance of knowing what's required to help your child stay safe on the roads at all times? If not, then I wish you all the luck in the world because you're going to need it. But if you are prepared to forego 1 hour of your life and 1 cup of coffee, then I implore you to buy what can only be described as the most critical information that is available today, on how to keep your child safe on the roads. Don't allow REGRET to be the catalyst you are forced to live by for the rest of your life. I thank you for your wise decision.
