

## The Road to Ruin

From the Grand Master of Mystery comes the latest novel featuring the ever-lovable but hapless crook John Dortmunder. The con is on. The mark is Monroe Hall, a corrupt CEO who lavished more of his company's money on himself than the boys at Enron and WorldCom combined. The loot? A fleet of vintage automobiles that would leave the Sultan of Brunei blushing. The catch? Trying to outsmart a collection of angry union men who've been taken for a ride and blue-blooded suckers who've been taken for their family fortunes. But if Dortmunder and his merry band of crooks are to drive off with the loot, they'll have to act fast—before they get caught in a deadly crossfire.
