

Flying Horse (Saddle Club series Book 46)

Phil Marsten isn't just Stevie Lakes' boyfriend. He's a fellow rider and he knows how to push all Stevie's buttons. When he issues a riding challenge that she can't turn down, Stevie starts training Belle intensely. In fact, her workouts threaten to make even good-natured Belle balk at going into the ring. Mrs. Reg, the manager of Pine Hollow Stables, thinks Stevie and Belle need a break, so she takes the Saddle Club to Chincoteague and Assateague islands. Will seeing wild ponies running on the beach remind Stevie what riding is all about?
