

Trust the Saint (The Saint Series)

In these six stories, the Saint encounters unscrupulous fraudsters in Hamburg; a confrontation with a rhino; perfect murders in Paris; a temperance leader deserving to be taken down a peg or two; a thief duping tourists in Sweden; and the hunt for the most famous monster of them all, on the shores of Loch Ness. You can trust the Saint to deal with anything life throws at him with charm, imagination, and steely determination.
