

The Secret Life Of Lady Gabriella (Mills & Boon Cherish) (Mills & Boon Romance)

Lady Gabriella March is the perfect domestic goddess--at least, that's what her editor at *Milady* magazine thinks! In truth she's simply Ellie March, cleaner and aspiring writer, who uses the beautiful mansion she is house-sitting to inspire her. When the owner returns unexpectedly, Ellie's fledgling writing career is threatened. But even more dangerous is the man himself! Gorgeous Dr. Benedict Faulkner is quite the opposite of the aging academic she imagined, and soon it is her heart, and not just her secret, that is exposed....
