

Senior Cohousing: A Community Approach to Independent Living (Senior Cohousing Handbook: A Community Approach to Independent)

Senior cohousing is an entirely new way for seniors to house themselves with dignity, independence, safety, mutual concern, and fun. Developed with the residents themselves, senior cohousing combines the autonomy of private dwelling with the advantages of shared facilities and community living. Senior cohousing residents live among people with whom they share a common bond of age, experience, and community - a community they themselves built to specifically meet their own needs. Providing a proven, phase-by-phase methodology for creating senior cohousing and an inside look at existing senior cohousing communities - the people, the places - this comprehensive book is for seniors, housing professionals, designers, and anyone seeking appropriate housing alternatives for today's dynamic seniors. Take a moment. Browse through this book. Visit the communities and meet the people who have made the conscious choice to take control of their lives, to live by living independently through community.
