Tarzan himself is stranded on a desert island, but with the help of Sheeta the panther and Akut the great ape he makes it back to the mainland. There he meets Mugambi, the giant chief of the Wagambi tribe, who becomes Tarzan's lifelong friend and ally. The group heads into the deep jungle after the kidnapers -- and when Tarzan finds them he lets the beast inside him wreck his vengeance. There's a beautiful irony, here -- Tarzan has come from the jungle into civilization, and his son must go from civilization to the jungle. Where Tarzan grew up without human guidance or moral direction, he has become an honorable man -- chivalrous, almost noble; a genuinely good man. And now his son, raised in civilization, must now walk a similar path. . . .
