

The Tale of Frisky Squirrel: A Sleepy-Time Tale (Dover Childrens Thrift Classics)

Frisky Squirrel leaps from branch to branch, looking for adventure anywhere he can find it. His appetite for action amid his neighborhood of fields, meadows, and forests leads him into some narrow escapes. Friskys encounters with Mr. Hawk, Jimmy Rabbit, Farmer Greens cat, and other woodland denizens teach him valuable lessons about honesty, bravery, and other virtues. The second in Arthur Scott Baileys Sleepy-Time Tales series, this volume features brief chapters that are perfect for bedtime reading. Black-and-white illustrations by Harry L. Smith add old-fashioned charm to the tales of Friskys escapades.
