

Walking Amsterdam

This guidebook contains 25 planned walks, designed to unveil Amsterdams landscape. Each walk, accompanied by a detailed route map, offers a tour of discovery: following the canals and narrow mysterious alleyways; passing well-known landmarks and places steeped in history and culture; visiting the museums and art galleries; exploring markets, squares and hidden stairways; and the animated nightlife of Amsterdam. The text describes each route and explains puzzling features which the walker will encounter. Detailed maps, opening times, public transport information and refreshment-break recommendations are included.
