

The Trembling of a Leaf (Annotated)

This Edition Features ? A Detailed Biography of W. Somerset Maugham ? A Fully Interactive Table of Contents ? Superior Kindle Formatting The works contained in this collection The Pacific, Mackintosh, The Fall of Edward Barnard, Red, The Pool, Honolulu, Rain, and Envoi were inspired by Maughams journeys to the South Sea Islands of the Pacific. Through these stories, Maugham sought to differentiate between his view of life in the South Seas from the views of his Romantic predecessors like Herman Melville, Pierre Loti, and Robert Louis Stevenson. Readers will appreciate Maughams honest and vivid accounts of cultural and racial interactions, love in the tropics, and his unforgettable descriptions of exotic islands in these dramatically powerful tales. Seahorse Classics brings great works of literature to life in digital format, upholding the highest standards in e-book production and celebrating reading in all its forms. Look for more titles in the Seahorse Classics collection to build your digital library.
