

The True Confessions of Charlotte Doyle

An ocean voyage of unimaginable consequences. Not every thirteen-year-old girl is accused of murder, brought to trial, and found guilty. But I was just such a girl, and my story is worth relating even if it did happen years ago. Be warned, however: If strong ideas and action offend you, read no more. Find another companion to share your idle hours. For my part I intend to tell the truth as I lived it.
