

The Vulgar Boatman (The Brady Coyne Mysteries)

A politician's son gets involved in a murder, and drags Brady along with him. Running for governor on the Republican ticket, Tom Baron needs his image to be squeaky clean. He employs men like Brady Coyne, a compassionate Boston attorney, to keep problems far away from his campaign. But when his son doesn't come home one night, Tom's political strategy becomes a criminal matter. His son's girlfriend has been murdered, and the boy has no alibi. To protect his friend's political ambitions, Brady digs into the investigation, finding a trail of drugs and corruption that stretches far across the Eastern seaboard. Tom Baron may be his friend, but Brady Coyne will stomach no cover-up. If the son is guilty and Tom is involved, Brady will come down on the would-be governor with a fury that will make Boston politics look like a student council election.
