Ellie Cohen is living her dream. A great job at an exclusive London art gallery, loyal mates, loving family, and really, really good hair. Well, theres the famous rock-star father who refuses to acknowledge her and a succession of challenging boyfriends, but nobodys perfect. But when a vengeful ex sells Ellie out to the press, she suddenly finds herself fighting to keep her job, her reputation and her sanity. Then David Gold handsome, charming but ruthlessly ambitious is sent in to manage the media crisis . . . and Ellie.

David thinks shes a gold-digger and Ellie thinks hes a shark in a bespoke suit, so its just as well that falling in love is the last thing on their minds . . .
