

Learning and Sharing with a Wiki (Information Explorer Junior)

Wikis can bring people from around the world together to collaborate on online projects. Wikis also offer a great opportunity to practice using technology to produce and publishing writing. Readers of this book will learn how to create, edit, and manage a wiki. They will find out how to use photos, text, sounds, and videos to convey ideas and share information with their group. They will also learn the importance of sharing the workload with team members.
