

HELP! i need to pass my UK driving test

At the end of the day your number one thought when learning to drive is binning those L-Plates when you've passed your test. It's tough economically at the moment and we've no doubt that many people are struggling to afford professional driving lessons every week. So friends and family are being recruited throughout the UK to act as instructors when the bank of mum and dad runs dry. Driving Village has produced lesson plans for driving instructors since 1994. We have now developed lesson plans that act as both a recap of lessons from your instructor, but also can be used when you're learning with friends or family. All the key subjects are covered with full colour visuals, key memory jogger points and helpful hints and tips from the professionals. Created by an Instructor and developed for ADIs and PDIs, HELP! i need to pass my driving test from Driving Village is designed in an A4 landscape format on CD-ROM (PDF format). The idea being that you remind yourself of key points from previous lessons and can print the subject pages you want to practice on before your next lesson. At the end of the day, the best way to learn is from a qualified instructor, but a little extra help here and there may just prove the difference between success and failure. Good luck with your test and SAFE DRIVING. SUBJECTS COVERED INCLUDE... CONTROLS, SHOW ME TELL ME, MOVING OFF & STOPPING, JUNCTIONS, CROSSROADS, PEDESTRIAN CROSSINGS, TURN IN THE ROAD, REVERSE PARKING, BAY PARKING, CROSSROADS, MEETING SITUATIONS, DUAL CARRIAGEWAYS and much more.
