

There Goes the Bride (Wedding Veil Wishes)

Legend claims this antique Irish wedding veil can grant your hearts deepest desire. But be careful what you wish for...The moment Texas socialite Delaney Cartwright touches the veil, she knows she cant go through with her wedding. And its not just because she envisions a strangers dark eyes and irresistible lips the second her fingers hit lace. But she cant simply call the whole thing off. The nuptials to her nice, predictable childhood friend are the social event of the season (not to mention that her mother would freak). To fan the flames of this dying ember, Delaney abducts her fiance for a night of passion...and grabs the wrong guy! It isnt her fault that Detective Nick Vinetti of the oddly familiar eyes and lips has crossed her path--and looks game for all kinds of sexy fun.Now Delaney hatches an outrageous plan to get out of marrying: shell hire her own kidnapper. With an altar to avoid and a cop to dream of, this runaway bride is hoping a little Irish magic will unveil the true destiny of her heart.
