

Epigrammes (TRES PETITE COL) (French Edition)

Si ces epigrammes devaient etre graves sur la tombe dun monument, ce serait un monument a la liberte... de pensee. Que lon en juge : Nous nous soumettons a la majorite parce que nous y sommes tenus. Mais nous ne sommes pas forces de donner a notre attitude soumise une posture respectueuse. Ou encore : Chez celui qui na jamais cause de tort a autrui, la vengeance est une vertu. Cest une collection daphorismes de cette trempe que renferme ce petit ouvrage, appele a tenir dans la poche, sinon a occuper durablement sa table de nuit. Dans un style a la Flaubert dans son Dictionnaire des idees recues, ces diatribes acerbes sonnent comme autant de piqures de rappel. Celui qui est devenu lun des maitres du fantastique sait introduire ce quil faut de mechancete (Le premier homme que vous croiserez est un imbecile. Si vous pensez le contraire, interrogez-le et il vous le prouvera). Ajoutez a cela une once danticlericalisme (Chretiens et chameaux accueillent leurs fardeaux a genoux), une pointe de lucidite trempee dans lironie (La mort nest pas la fin ; il reste le litige sur lheritage), enfin une infime misogynie (Pour etudier ce quil y a de bon et de mauvais chez la femme, il est inutile de faire appel a deux femmes). Pour finir, laissez tonner et resonner la formule impeccable et de circonstance : Un auteur populaire est quelquun qui ecrit ce que pense le peuple. Le genie les invite a penser autre chose.
