

## Think Like Da Vinci: 7 Easy Steps to Boosting Your Everyday Genius

New edition, including a new introduction by the author, of this inspiring guide to developing your full potential. A perfect buy for the business market as well as those wishing to explore their power of their brain, this book shows you how to imitate Leonardo Da Vincis thought processes and so enhance your aptitude in every area of your life. Learn how to fulfill your true potential by developing the thought processes used by Renaissance master Leonardo Da Vinci. Simply by imitating his insatiable quest for information and experience, we can all enhance our own aptitude in all facets of our lives. Michael Gelb discusses the seven fundamental elements of Da Vincis thought process and offers practical ways to incorporate them into our own lives. The techniques outlined in the book help readers to develop the same traits of whole-brain thinking, creative problem solving and continuous learning, all of which are vital in todays world. Numerous exercises, anecdotes and illustrations help readers to master these techniques and create a personal and professional renaissance of their very own.
