

Toady

Richard, Robin and Nigel are ordinary boys who share a taste for the macabre in films, videos, books and comics. Then they admit a fourth member to their club - Toady, who is not at all an ordinary boy. From the moment he lures the boys to a seance, unimagined horror overtakes their lives. A strikingly imaginative mixture of horror and fantasy, with a real sense of supernatural terror and with scenes of horror so strange they border on surrealism. Ramsey Campbell
