

Food for Fuel - Eat Like a Bird & Live Like a King (or Queen)!

Food for Fuel - Eat Like a Bird & Live Like a King (or Queen)! is the essential guide to establishing the right relationship with food to achieve optimal health and the fit and thin body of your youth, in spite of your current weight or condition. Food for Fuel is not magic and requires no outlandish supplements, or expensive diet food. Everyone can change their relationship with food and begin immediately to regain their health and fitness. Our food culture has led us astray. We are evereating bad industrial food, laden with sugar, salt, fat and preservatives. We can choose to break up with the food culture, and restore ourselves to nature's intelligent design. This book is especially aimed at the senior population that has suffered the most at the hands of the food industry. Too many of our seniors have fallen into the obesity trap, and are struggling with severe, compound health problems. The Food for Fuel lifestyle can rescue anyone, no matter their current condition. Results are immediate and positive from the first day you begin.
