

Trail Dummies - An L.A. Trail Guide

An L.A. trail guide for the casual hiker. Even if you're not a hiker, there is some funny shit and some stories in this guide, so it's really almost a novel. (I've told my mom I wrote a novel so she won't be disappointed in me, just go with it) And, if you have no friends, this guide will be your friend! It's a light-hearted guide with a lot of sarcasm, but makes sure you know how to get to the trail - park - and get back to your car at the end of the day. We are not hard core hikers, we're soft core hikers wait, that sounded dirty. I'm just saying that a 5 hour hike is really our max. The guide mixes information with entertainment and covers Los Angeles County. Is it comprehensive? Hell no. There are like a bazillion trails in L.A. Is it fun? Hell yes. We only do fun trails. Will it give you some ideas for a hike next weekend? Absolutely! Hiking is fun, this guide is fun, go out and have some fun!
