

Trusted Like the Fox

In *Trusted Like the Fox*, a bizarre trio is brought together in the same house: a beautiful deaf woman and two men who want her, one for protection, and the other as prey. The first is a political double-crosser who has changed identity, the second is a man with a special, macabre taste in murder. Add the police that are after the double-crosser and the girl who is believed to be with him and you get, in the words of the *Grimsey Evening Telegraph*, a taut thriller in the best Hadley Chase tradition.
