

## 650 Home Plans: From Cottages to Mansions

650 Home Plans offers a comprehensive overview of the wide variety of stock designs available. A beautiful full-color section shows off a sampling of hot-selling designs of all styles and sizes. Then, each chapter takes you on a journey of plans from the smallest (850 square feet) to the largest (6,500 square feet). Its the perfect resource for the novice as well as the experienced homeowner. \* This big book of home plans features 650 of our best-selling and most popular designs, from 20 of the finest residential designers in the country. \* The book opens with a 16-page color gallery of top-rated designs. Plans sections are then arranged by square footage to make it easier to focus on the size home youre interested in. \* A wide variety of styles are featured, from small starters to luxury homes. All in one volume! \* Complete construction plans for every home. Find it and build it! \* Homes from 850 to 6,500 square feet.
