

## Under Fire

Coast Guard helicopter pilot Olivia Carver is on a very personal mission. Her twin brother, an undercover officer, was murdered by a drug cartel and she won't stop until she finds the man responsible for his death. In the course of her own investigation, Olivia meets informant Rico Cortes. He's mysterious and sexy and despite her reservations, the two share a night of passion. But Rico turns out to be more than a one-night stand. He's a DEA agent, deep undercover in Miami's drug world, and possibly the one man who can help Olivia find the justice she seeks. When Rico realizes his cover is blown, he isn't sure whether it was someone in the cartel or an inside agent. Olivia is the only one he can trust and together they venture on a dangerous, rogue mission to infiltrate a drug lord's inner circle with Olivia as bait. 86,000 words
