

Asian Initiatives in Mechanism and Machine Science

This 580 page book including 90 papers provides recent outcomes and trends of research and development in mechanism and machine science and is a suitable reference book for students, engineers, and researchers in the fields. This is the official conference proceeding of the 2nd IFToMM Asian Conference on Mechanism and Machine Science (Asian-MMS 2012), November 7-10, 2012, at Tokyo Institute of Technology, Tokyo, Japan. 89 papers from 20 countries in the 20 academic fields are presented after peer review and included in this proceedings.
