

## Parenting for Prevention DVD/CD Collection: A Self-help DVD Series for Busy Parents, Teachers, and Other Caregivers

This Parenting for Prevention Video series teaches six powerful parenting skills to help kids make secure decisions - and be safe from alcohol, drugs, and violence. Every parent and concerned adult can quickly learn simple skills to help toddlers through teens cope with major prevention issues. A facilitators guide on disk (Macintosh and Windows versions) provides thorough background information, class-by-class notes, and reproducible handouts. Booklets provide parents with backup information for each 12-15 minute video.
