

2 WACKO! Echoes From the Purple Palace

When it comes to the humorous back-story of the Phoenix Suns basketball franchise, 2WACKO! picks up where Notes From the WACKO! File left off. Looking at Suns history since the team moved to their new downtown arena, the focus now falls on Steve Nash, Charles Barkley, Tom Chambers, Mark West, Kurt Rambis, Shaquille O'Neal along with other Suns players and coaches of more recent vintage. There will still be plenty of flashbacks, cross-overs and double-dribbles going back to the early days of the Suns. The book also explores the history of downtown Phoenix and examines the decisions that went into the design and construction of the Suns Purple Palace.
