

Warcraft: Durotan (Dutch Edition)

Met World of Warcraft creëerde Blizzard een van de grootste games aller tijden. Voorloper Warcraft, over de eerste kennismaking tussen mens en orc, is nu spectaculair verfilmd onder regie van Duncan Jones. Warcraft: Durotan is het verhaal dat voorafgaat aan die film. In de wereld van Draenor krijgt de sterke en zelfstandige Frostwolf Clan te maken met steeds hardere winters en uitdunnende kuddes. Wanneer Guldan, een mysterieuze buitenstaander, arriveert in Frostfire Ridge met de belofte van een nieuw jaaggebied, moet Durotan, de clanleider, een onmogelijk besluit nemen. Kan hij het gebied, de trots en de tradities van zijn mensen achterlaten en zijn volk het onbekende in sturen...?
