

## CRASH!: What You Dont Know About Driving Can Kill You!

In this landmark book, Dr. Lauren skillfully brings us face-to-face with the dangers inherent in today's traffic, how to measure and enhance our driving skills, and how to monitor our driving temperament against those of other drivers.

From the E-racer to the Sightseer, our basic driving styles reveal much about who we are! At times amusing and at times deadly serious about our potential for disaster on the road, the author provides a new lens through which to view various aspects of the driving experience and its social components. You, your passengers and others on the road will never be the same!
